

Hereditary Faults to Avoid in Breeding Dachshunds

Overshot bite

Undershot bite

Apple dome, sloppy throat, low-set ears

Snipy muzzle, thick neck. Round eye

*Too long steep shoulder blade
Too short, horizontal upper arm. Cut-up afterchest*

Too deep chest. Short thick neck with slop over the leash, disproportionately small head

*Fiddle front
(and cruelly long nails,
not hereditary)*

Cow hocks

Splayed feet

*Knuckling or
double-jointed
wrist*
